B-roll is 5 minutes in length and will run three times during the 15 minute time slot.

Date: October 12, 2005

Time: 11:00 a.m. Eastern Standard Time

Satellite Information: Galaxy 11  
Transponder 13 KU Analog  
91 Degrees West

Frequency: Uplink: 14260 Vertical  
Downlink: 11960 Horizontal
